CAREER PROFILE

Hello, I am a dedicated and adaptable Chinese student majoring in Computer Science at Griffith College Cork, with a background in video and image editing and a strong passion for software development. Recently, I completed my sophomore year with excellent grades and am now actively seeking full-time internship opportunities. I particularly enjoy Java development and algorithms, and my previous experience in multimedia production has brought me a creative and detail-oriented mindset.

EDUCATION HISTORY

09/2023-----072027
BSc Honours Degree in Computing Science (QQI Level 8) Griffith College Cork
Current Grade Average: 83.13% (1.1)

09/2018-----07/2021
Associate Degree in Computer Networks
Binzhou University (China)

In addition: Self-study and off-campus short video training courses have enhanced my video editing skills

CAREER HISTORY

05/2020-----06/2021
Image Editor and Product Manager Assistant
Shandong Younuo Network Co. Ltd. (China)
Responsibilities included enhancing and editing images, modifying product copywriting, publishing products online for the e-commerce department, and assisting the product manager by preparing meeting records, including documenting raised issues and proposed solutions.

07/2021-----07/2023
Video Editor
Shandong Zhongcheng Technology Co. Ltd. (China)
Responsibilities included sourcing video materials or assisting with filming for the short video media department, and then editing the videos based on scripts and audio provided by colleagues, followed by publishing the final content.

01/2024-----
Pizza Chef
Donatello's (Ireland)
Responsibilities included preparing pizzas, maintaining daily cleanliness, and checking inventory to ensure sufficient stock
